

JHU SOURCE Online Modules

ACKNOWLEDGEMENTS

SOURCE has developed a series of three online modules to prepare students, faculty, staff and other Hopkins representatives for accountable, responsible, authentic, collaborative academic-community partnerships. The series was developed in partnership with numerous community members, faculty, staff, and students. We wish to recognize and thank everyone who participated in the development and implementation of the project.

Funding

Funding for the development of these modules was generously provided by Johns Hopkins University President Ronald J. Daniels
